EDUCATIONAL QUALIFICATION

B. Tech | Electronics & Communication |

United Institute of Technology, Prayagraj (AKTU) | Pursuing

Intermediate | PCM | S K Das Inter College | UP Board | 2019 | 62% |

Highschool | Science | S K Das Inter college | UP Board | 2017 | 73% |

TRAININGS & CERTIFICATES

JavaScript Basics to Advance | 2022 | Udemy

Web development Course | 2021 | Technophilia

Python Programming | 2021 | Udemy

TECHNICAL SKILLS

- C++
- JavaScript
- Python
- Data Structures & Algorithm
- Web Development

SKILLS & ABILITIES

- Problem Solving
- Disciplined
- Analytical Thinking
- Team Work

INTEREST & HOBBIES

- Social Work
- Reading Books
- Sports

Career Objective

A Disciplined and Organized individual seeking for an Entry-level position in Software development field. Skilled in Web development and Data structures. Willing to share ideas and ready to learn new Skills.

Workshops/Seminars

Overview Of Geoprocessing Using Python ISRO 10 Days

- Reading and visualizing Raster data
- Raster data Processing in Python
- Reading and writing Vector data Using Geo-Pandas

Basics Of Modern Electrical Engineering UIT 10 Days

- Introduction to IOT
- Fundamentals of Node-MCU and Arduino

Workshop For IOT UIT 2 Days

- Basics of Embedded System, IOT
- Application of IOT in Real Life

PROJECTS

My Portfolio Website

- Technology Used – HTML5, CSS, JavaScript and Bootstrap

Attendance System using Face recognition

- Technology Used- Python, OpenCV
- Capturing Images with OpenCV
- Training Custom Object Detection
- Visualizing Detections
